Please complete this step at the same time you complete Step 1!

Step 2 - Athlete Medical Information

- [Click on this link](#). Register using the full legal names of the athlete(s); do not use nicknames. You will be redirected to a secured registration form via our partner Cognito Forms. **You do not have to pay a processing fee to submit this form.**
- **A medical information form must be submitted to Spike Up Athletics for each athlete you've registered before he or she will be allowed to practice.**
