Uniform Policy

1. Due to the generosity of donors, Spike Up Athletics has a limited number of competition uniforms available to loan to our athletes. (Note: athletes/parents/guardians may also choose to purchase a competition uniform when not interested in borrowing one from Spike Up Athletics if one is available.)
2. Due to the limited number of competition uniforms that Spike Up has available to loan, we will loan uniforms on a first come, first serve basis.
3. When a competition uniform is loaned, Spike Up will either (a.) withhold the uniform fee that was collected at the time of registration or (b.) PayPal invoice the athlete's parent/guardian the uniform fee, which the parent/guardian will be required to pay within seven calendar days of the uniform being loaned. The competition uniform fee is currently \$99.50.
4. The borrower must return the competition uniform in the condition in which it was loaned in order to be refunded the uniform fee at the conclusion of the season. Spike Up will provide uniform care instructions to the athlete and his/her parent/guardian at the time the uniform is issued/loaned to the athlete.
5. When Spike Up does not have a competition uniform available to loan, unfortunately the athlete will be required to purchase his/her own uniform. In this event, the competition uniform fee will be used for the purchase of the uniform, but not without first informing the athlete and his/her parents. When the athlete is no longer eligible to compete in club track & field due to aging out or decides that he/she no longer wants to compete with Spike Up, the athlete's parent/guardian may donate their purchased competition uniform to Spike Up in exchange for a Non-cash Donation Letter that the parent or athlete can file with his/her income taxes. Because Spike Up is a State of Idaho recognized non-profit corporation and a qualified 501(c)(3) charitable organization, the donor/taxpayer may only claim deductions for the uniform when in good condition or better, and valuation of the non-cash donation will be the responsibility of the donor/taxpayer.
