

Dear Parents and Athletes,

I am Julie Washington, Co-founder of Spike Up Athletics, and I'm excited to announce that this year our club will be using BAND to communicate. This will help us stay on the same page and not have to deal with emails and texts cluttering our inboxes.

What is BAND?

BAND is a group communication app. The group we created is a secure group that non-club members cannot join. We'll be able to communicate privately and share files, forms, and videos and photos of what is happening in our club.

Even if you don't have a smartphone, you can access BAND on your PC at <https://band.us/band/90773132>.

* IMPORTANT: You MUST use the link or QR code below to join the group. And for safety reasons, please do not allow athletes younger than 13 years old to create their own BAND account.

Smartphone: Scan the QR code below to download the app. You will be asked to create an account and will be asked to accept the invite to our BAND group.

PC: Before going to the website, please be sure to copy/paste or type in the invite link below to your chrome, safari, or other internet browsers. You won't be able to join the group unless you use this invite link. In case you've already created a BAND account, simply copy & paste the link to your browser.

Need Information?

All group information will be at your fingertips, so you won't have to rely on the coaches or anyone else for information. Not sure about something? Check the Band first.
